

THE LYRICS

God is love, God is love
Love is all we need
God is love, God is love, God is love
Love is all we need

Jesus Christ died to bless the world
Because Adam's sin brought curse to the world
If, we're behaving like animals
It's because love is all we need
Love is the remedy for our selfishness
The new way of life is in righteousness
If, we wanna live like human beings
Then love is all we need
Love is good, love is nice, love is patient and love is kind
If you and I wanna live like good neighbors
Love is all we need
But, love cannot work in us without Christ
because He's the solid foundation of love
His teachings build our hearts for love
because love is all we need

God is love (God is love)
Christ is the love (Christ is the love)
Receive God's love (receive God's love)
because love is all we need
God is love (God is love)
Christ is the love (Christ is the love)
Receive God's love (receive God's love)
because love is all we need

X 2

There's so much suffering in the world
Because darkness has covered the world
But, if you and I wanna shine our lights
Love is all we need
Come let's follow Christ and change the world
Open your heart and receive God's love
Don't be blinded by your selfishness
Because love is all we need
Forgive your enemies and teach them how to love
Be kind to everyone who needs your love
If you're a leader, be humbled and serve
Because love is all we need
And those who have fallen down because of love, stand up, take up your cross and walk
We who believe in Christ don't faint
because love is all we need

God is love (God is love)
Christ is the love (Christ is the love)
Receive God's love (receive God's love)
because love is all we need
God is love (God is love)
Christ is the love (Christ is the love)
Receive God's love (receive God's love)
because love is all we need

X 2

God is love, God is love,
God is love, God is love!
