

THE LYRICS

Holy Spirit, Holy Spirit
Comfort me, comfort me
Holy Spirit dance with me

Rapapa patata seke teke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me

When I am grieved and hurt, my hero
Only you can kill my sorrow
You saved me from falling to zero
and told me "There's a better tomorrow"
I'll put my trust in the word forever
My hope is in you, Jehovah
Your spirit is the true comforter
Comfort me, let's dance together

Rapapa patata seke teke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me

You are the one who know me better
Holy Spirit my comforter
God sent you with my lover letter
Enter my heart and make it stronger
When the world would be falling to zero
I'll be smiling with you, my hero
Your love is my strength for tomorrow
Dance with me and kill my sorrow

Rapapa patata seke teke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Rapapa patata teke seke papatata teke seke
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me
Holy Spirit comfort me, Holy Spirit comfort me
Holy Spirit comfort me, Hold my hands and
dance with me

Yes, Holy Spirit
Dance with me
Comfort me, Holy Spirit comfort me
Comfort me, hold my hands and dance with me
