Song Title: The Blood Of Jesus Genre: Gospel Language: English

The blood of Jesus!
Missions Star Records
The blood of Jesus washes my sins
The blood of Jesus washes me clean
The blood of Jesus washes my sins
It washes my sins and makes me clean

I'm washing away my sins
I must be cleaned up (with the blood of Jesus)
I'm washing away my sins
I must be cleaned (with the blood of Jesus)
X2

Every sickness has its own medicine
The blood of Jesus is the cure for my sins
I have the privilege to follow Jesus
everywhere he goes because of my sins
God sent him to make me clean
He shared his blood on the cross for my sins
A kingdom child is the one who's clean
Therefore, I must wash away all my sins

I'm washing away my sins
I must be cleaned up (with the blood of Jesus)
I'm washing away my sins
I must be cleaned (with the blood of Jesus)
X2

Every sickness has its own medicine
The blood of Jesus is the cure for my sins
Every sickness has its own medicine
My heart must be cleaned to be free from my sins
X2

I'm washing away my sins
I must be cleaned up (with the blood of Jesus)
I'm washing away my sins
I must be cleaned (with the blood of Jesus)
X2

All the bad things that I did before
I won't do them again!
All the bad places that I went before
I won't go there again!
All bad things that I saw with my eyes,
bad words that came out from my mouth
And bad once that came into my ears
Now, I'm born again and my heart must be
cleaned

I'm washing away my sins
I must be cleaned up (with the blood of Jesus)
I'm washing away my sins
I must be cleaned (with the blood of Jesus)
X2

Every sickness has its own medicine
The blood of Jesus is the cure for my sins
Every sickness has its own medicine
My heart must be cleaned to be free from my sins
