Song Title: What have I done? Genre: Gospel Language: English

*Avrilson*

Heyyo!

It's me Avrilson.

I've been thinking about my salvation and asking myself questions

What if, I'm standing before God right now and he wants me to give account of the life that he gave me?

Do I have eternal life?

What have I done with my life?

What have I done with my life in this world?

Is the question that I should be asking myself  
Because if, I die now and standing before God,  
I must give account of my life

What have I done? What have I done?

Is the question that I should be asking myself  
Because if, I die now and stand before God  
I must give account of my life

God has given me direction

Christ is the way that leads to my salvation

But, the devil would not want me to be saved  
that's why he came here with all these distractions  
He's showing me the pleasures of the world

Because he wants my heart to be governed by the world

He's deleting the truth that God stored on my mind, manipulating my soul and stealing all that is mine

My soul is in confusion

I'm losing my vision and can't remember my mission

It seems like I've fallen for the Devil's temptations  
because I'm walking in the opposite direction,  
loving the pleasures of the world rather than God's word

My soul was buried deep in the world

I thought I made the right decision

When I chose materialistic lifestyle over salvation

What have I done with my life in this world?

Is the question that I should be asking myself  
Because if, I die now and standing before God,  
I must give account of my life

What have I done? What have I done?

Is the question that I should be asking myself  
Because if, I die now and stand before God  
I must give account of my life

I must fight for my salvation

It's time to bury all my selfish ambitions

I blame myself for neglecting the gift that God sent  
by walking away from the path of my salvation  
I no longer need the pleasures of the world

My eyes are opened, I can see the traps in the world

Satan is enslaving many souls in the world

In Christ I have the grace to overcome the world

Now, I can remember my mission

There's no more confusion cos I have my vision

Seeking God's kingdom is my new resolution

because eternal life is calling my attention

I'm a disciple of Christ and I must sacrifice

to resist all the worldly temptations

Doing the will of God in this perverse generation

Is the only way to win my salvation

What have I done with my life in this world?

Is the question that I should be asking myself  
Because if, I die now and standing before God,  
I must give account of my life

What have I done? What have I done?

Is the question that I should be asking myself  
Because if, I die now and stand before God  
I must give account of my life

What have I done?
